Family Activities and Interests:

reading, going to the movies, bike riding, kids like playing on playset and computer, playstation and Wii. Troy likes legos and both kids like board games. Everyone likes watching TV and movies at home. Boating and camping in the summer. Sandy loves shopping and both kids LOVE trips to the bookstore. They eat out at restaurants for dinner frequently. Kids play soccer in fall and softball and baseball in the spring. They travel to Florida to visit grandparents every Thanksgiving and often travel to Boston to visit family there.

Describe Family Home (Any pets? Will student share a bedroom?):

Home is 4 bedrooms. Three of the bedrooms are upstairs and the fourth is in the basement, where the student will be. There are three full baths and one is located in the basement for the students use. There is a playroom, a TV room and a living room on the first floor as well as a kitchen with a dining area with a large table. There is also a beautiful new sitting room upstairs that is part of the master bedroom that has a big comfy couch and a TV. They all watch TV and read in there all the time. There is a big yard with a swingset, a porch with a deck and a hot tub. There are two big, friendly dogs. Dipper (Chocolate Lab), and Blackjack (Black Lab), and they are considered part of the family.

Describe Community:

Lake Elmo doesn't have much of a center of town, but is close to two other towns where they do all of their shopping, eating out, biking, etc. The kids go to school about 2 miles away and take the bus. The high school, Tartan High School, is about 3 miles away and the bus for both the elementary and high school comes right down their street. The neighborhood is varied with the most immediate neighbor having two small children that Sandy sometimes babysits. Most of the kids are older than Sandy and Troy. The street they live on is fairly quiet and very safe.
